

Minikani Day Camp Overnight

Due by Wednesday morning of the overnight

Hi Parents,

We believe that sleeping overnight is an important part of the camp experience for our campers. In order to fulfill that need for day campers, we will be offering the chance for all day campers to spend a night here at Minikani on **Wednesday night**. Instead of the day ending at 5:00 pm, campers enjoy a picnic, participate in evening activities and retire to the Lodge for vespers. Counselors will be sleeping in the immediate vicinity in order to supervise and troubleshoot in case a problem arises during the night. The next day, we provide breakfast and lunch for all the campers who stayed on the overnight.

What to bring:

- Sleeping bag and pillow
- Pants and sweatshirt
- Personal items - toothbrush, toothpaste, towel
- Pajamas and clean clothes for next day
- Any evening or morning medications must be in original containers **with an Authorization to +Administer Medication form**

We believe that this overnight can be used as a building block for resident camp. This night builds independence in campers. The overnight is optional, but encouraged, and free of charge.

In the Spirit,
