

YMCA CAMP MINIKANI DAY CAMP HANDBOOK

Updated 5/17/2024

Dear Families,

We look forward to working with you in order to ensure a fun and enriching experience for your child this summer. This guide will help prepare your child for Day Camp at YMCA Camp Minikani. Please read and save this guide, as it will be a useful resource when questions arise in the coming months.

Your reason for sending your child to Minikani may change summer-to-summer. Perhaps, your hope is they will enjoy a week or two away from screens and boating and swimming; building friendships; or trying archery and exploring the arts. For children like yours, Camp Minikani becomes more than a beautiful place with fun activities.

The heart of Camp Minikani is a strong sense of community—dedicated to helping your child realize their best self already exists. Your child will have an incredible amount of fun. Those fun experiences—like meeting a new friend or scaling the climbing wall—will expand their comfort zone. However, they will come out of the experience with a sense of accomplishment which builds their confidence and resilience for years to come.

All of this is possible because of the intentionality of Minikani’s program. Every element, from the daily order of events to the dynamic of your child’s group—is thoughtfully designed in order to produce all types of social and emotional growth. Staff members are selected for their maturity, character and leadership capabilities, as well as their desire to be positive a role model for your child. The majority of staff—all but a handful of seasoned international counselors—were once campers at Minikani and have been trained through our extensive three-year Leadership Training program.

We are excited to share these aspects of Minikani with your family this summer. If you have any questions that are unanswered in this guide, please feel free to call or email the office at 262-251-9080 or minikani@ymcamke.org.

In the Spirit of Minikani,

Elijah Fyksen
Executive Director
efyksen@ymcamke.org

Robby Gral
Summer Camp Director

YMCA Camp Minikani
875 Amy Belle Rd
Hubertus, WI 53033
262-251-9080

DIRECTIONS

YMCA Camp Minikani is located about 30 minutes from downtown Milwaukee at 875 Amy Belle Road in Hubertus, Wisconsin. Please note that many GPS units and online maps may direct you to our Equestrian Center located at 860 Amy Belle Lane, which is on the opposite side of the grounds from the main entrance. Here are detailed directions to Minikani's main entrance:

From Milwaukee

- Take US-41/45 north from Milwaukee and exit on Lannon / Mequon Road.
- Go LEFT on Lannon Road to the roundabout, which is Hwy 175 (Appleton Avenue).
- Turn RIGHT on Hwy 175 and proceed one block to Willow Creek Road.
- Turn LEFT on Willow Creek Road and drive west for about one mile to Amy Belle Road.
- Turn RIGHT on Amy Belle Road and go one mile to the camp entrance, which will be on your left (there is a large camp sign just after the driveway).

From the North

- Take US-41/45 south and exit on Lannon / Mequon Road.
- Go RIGHT on Lannon Road to the roundabout, which is Hwy 175 (Appleton Avenue).
- Turn RIGHT on Hwy 175 and proceed one block to Willow Creek Road.
- Turn LEFT on Willow Creek Road and drive west for about one mile to Amy Belle Road.
- Turn RIGHT on Amy Belle Road and go one mile to the camp entrance, which will be on your left (there is a large camp sign just after the driveway).

CAMP POLICIES AND INFORMATION

Camp Minikani is accredited by American Camp Association by meeting more than 300 individual health, safety, and program quality standards. These standards establish criteria for program, personnel, transportation, administrative procedures, health care, food service, program activities and emergency procedures. Accreditation assures parents and campers that Minikani has been measured against national standards in the camping industry. We are proud to be among the 25 percent of accredited camps in the United States.

Behavior Expectations

In order to promote a positive experience for everyone, campers are expected to behave appropriately while at Minikani. YMCA Camp Minikani has a strict policy against bullying and harmful behavior in order to ensure the physical and emotional safety of all campers. If behavioral issues arise, a director will work on a resolution with the camper and their parents or guardians. If bullying or behavioral issues persist, parents may be asked to pick up their camper early. Please note that refunds are unavailable in such cases.

Character Asset Development & Program Objectives

1. Helping campers grow personally. They are given the chance to experience new things and interact with their peers with the support of caring, concerned adults.
2. Fostering lifelong values. From the simplest of values and attitudes like sharing, sportsmanship and respecting others and ourselves, we begin to build the foundation of values that will stay with your children as they mature.
3. Appreciating diversity in one another. We live in a culturally-rich world, and we try to reflect this in our camp. Campers learn that each person is unique, and they can all have fun together regardless of race, religion, gender or social status.
4. Learning new skills. Whether it's playing a new game, further developing an existing skill, or focusing in on social skills, campers leave having learned something they can remember for a lifetime.
5. **HAVING FUN!** Children learn best through play and hands-on experiences. In our curriculum, counselors use fun experiences to convey the importance of character building and positive values. Games, swimming, crafts and much more are all done with the camper as our primary focus.

PAYMENT INFORMATION

Deposits & Payments

A minimum deposit of \$50 is due at registration

- Day Camp Deposit: \$50 per week/per child
- Payment Plans can be set up at the time of online registration or by calling the office.
- Deposits are refundable until January 15. You may choose to pay camp fees in full or set up a payment plan for the remaining balance. Full payment and paperwork are due by April 1.
- **If, by April 1, fees are not paid in full or have an automatic credit card payment plan set up, your camper(s) will be unenrolled, and all monies put towards registrations will be forfeited.**

There will be a \$30 charge for all returned (NSF) checks

Cancellations & Refunds

All monies are refundable until January 15. After January 15, all monies less the above deposits are refundable until April 1. After April 1, all monies are forfeited due to cancellation. If there is sickness or injury, a medical note from a physician is required for a full refund. All monies are non-refundable if your camper leaves early due to homesickness or disruptive behavior, as determined by the camp director.

Buddy Requests

Campers may request ONE (1) friend for their cabin or group. This request must be reciprocated by both families. Groups and cabins are based on age and program. As such campers may only request a friend who is within a year of age, and registered in the same program and session.

Please email requests to: minikani@ymcamke.org by the Monday before your child's session.

Session Changes

We understand that schedules can change throughout the year. If you need to switch sessions, you may do so, if there is availability, until January 15. After January 15, priority will be given to campers who are on waitlists that are not registered for any session.

Waitlists

If a spot becomes available, your child is automatically enrolled, and you are notified via email. You have 48 business hours to confirm the spot and pay the deposit. If the office does not hear from you, a phone call will be made, and another email sent. If the office does not hear from you within three (3) days and no deposit has been made, your child is cancelled from the session and removed from the waitlist.

Financial Assistance

YMCA Camp Minikani is committed to making camp available to as many children as possible. Through the generosity of many donors, the YMCA Camp Minikani Annual Campaign provides funds to families that would otherwise not be able to send their child to camp. For financial assistance information, please contact our office at 262-251-9080. You may also contact us regarding donating to the Annual Campaign.

Payment Plans

You may set scheduled payments before your balance is due by April 1. If you are interested in a payment plan, please contact the office at 262-251-9080.

Camp Store

The Minikani Camp Store is fully stocked with tons of great apparel and souvenirs for our campers. The store is open for MiniCamp on Friday check-out in Coffman Lodge so that parents and campers can make decisions together about what items to purchase. We also have an online store with a variety of different products. Check out our website for more information!

DAY CAMP BUS

Bus transportation to and from camp is available at an additional \$70 per week fee. You must choose a stop upon registering for camp and your camper's morning and evening bus stops must be the same.

Bus Route	Location	Pick-Up	Drop-Off
A	Northside YMCA, North Ave, Milwaukee	7:25 am	5:35 pm
A	Our Redeemer Lutheran Church, North Ave, Wauwatosa	7:45 am	5:15 pm
B	Bayshore Evangelical Lutheran Church, Hampton Road, Whitefish Bay	7:35 am	5:25 am

The pick-up times for the bus are departure times. Please arrive 10-15 minutes early before stated pick-up time, so you don't miss the bus.

Parents are responsible for meeting campers at the designated stop. Please arrive at least 10 minutes prior to the scheduled time. When dropping off your camper at the bus, please show your photo ID to the two Minikani counselors that are your camper's designated bus captains. Campers are expected to follow Minikani's behavior expectations outlined in this handbook, as well as in the Behavior Agreement form that is signed, as if they are at camp when riding the bus. Campers should also follow any rules posted in the bus or directives given by the bus driver or bus captains at all times.

Missing bus pick-ups:

If you miss the bus, it is your responsibility for transporting your child to camp. If a parent or designee is not at the evening bus pick-up, the child will remain on the bus and return to camp with the bus captains. The parent is then responsible for picking up their child from camp. If the camper is being picked up from camp instead of riding the afternoon bus, you must call the camp office by 3 p.m. to inform the staff. If we do not receive a call by 3 p.m., your camper may be put on the bus. There will be no refunds for bus fees.

Bus Alerts:

Camp Minikani utilizes a texting service to notify families of delays to bus arrival times due to traffic and/or weather. If your camper will be taking the bus at all this summer, please make sure your cell phone number is listed and correct in your Camp Brain family account, and that you have opted in for text notifications.

ARRIVAL AND DEPARTURE INFORMATION

We are looking forward to welcoming your family to camp this summer—a process that begins even before you arrive! By Sunday evening before camp, families will receive a call from the child’s counselor or unit director to touch base with parents and introduce themselves to the camper. We encourage you to use this time to ask any questions or share any concerns you have – we are here to help!

Attendance for all Day Campers is taken on a daily basis. For liability and safety reasons, it is extremely important we know when your child is not at camp. If you know your camper will be absent, please email the office at minikani@ymcamke.org. If you need to pick your child up early, we ask that you inform the office before **12 p.m.** that day via email as well.

Enrollment forms, medical forms, emergency card, and payment must be completed before the child can begin camp.

Sign-in & Sign-out

Day Camp drop-off is from 7:30–8:15 a.m. each day. Pick-up begins at 4:15 p.m. and ends no later than 4:45 p.m.

Please make sure to read everything below so that check-in goes smoothly for you and your camper.

- Check-in is between 7:30–8:15 a.m. and check-out is between 4:15– 4:45 p.m.
- Parking is only available in the Upper Parking Lot for the safety of our pedestrians.
- Check-in and out will be taking place in front of Halquist Lodge.

Early Pickups

We understand your camper may need to be picked up early due to activities outside of camp. To minimize disruptions to your camper and the rest of their group, please let us know in advance of any early pickup, and plan on picking up your camper during the lunch hour (12:30–1 pm). This ensures that your camper will be in a central location and can be picked up quickly and with minimal disruption to camp activities.

Only authorized parents/guardians or an individual you authorized in writing can pick up your child. Any adult authorized to pick up a camper must present a valid photo ID prior to departure. Please note that pets are not permitted on the grounds.

PACKING FOR DAY CAMP

Consider a few non-material things to give your child before they attend Minikani. Prior to their arrival, discuss the positive aspects of camp with your child. Share your enthusiasm for the new friends that they will meet or the new activities they will try.

Since the majority of camp play time is outdoors, please do not pack clothing that is too valuable to be dirty or stained. Please mark all clothing and equipment with the camper's name. Here is a list of daily items (weather dependent):

- Lightweight Jacket or Sweatshirt
- Shorts
- Swimsuit
- Swim Towel
- Water Bottle
- Sneakers
- Sandals (optional, but NO flip-flops)
- Hat with cap or brim
- Bag lunch and drink
- Raingear/Poncho
- Insect Repellant
- Sunscreen & Lip Balm (SPF 30 or higher)
- Backpack
- Goggles (optional)
- A quiet activity (book, coloring materials, etc.)
- Backpack*

Campers do not return to the lodge between activities, so they need a bag or backpack to carry their swimsuit, water bottle, etc.

Bag Lunches

All Day campers are required to bring their own healthy lunch. Pack enough food, as the campers are active throughout the day and burn a lot of energy! Refrigeration is not provided for storing lunch but using an ice pack can keep their food chilled and fresh on hot days! For the safety of campers with allergies, foods containing nuts are not allowed in packed lunches.

Lost and Found

The camp experience is an opportunity for a child to learn responsibility for their personal items. As a family, please discuss the importance of caring for and keeping track of gear as Camp Minikani is not responsible for lost or missing items. If an item is lost, please check the Lost & Found during check out. Every effort is made to return clearly marked items; however, due to the large volume of items we accumulate, long-term storage is not possible. Unclaimed items are held for two weeks before they are donated to local charities.

Absolutely NO cell phones, video cameras, personal music or video game devices, laptops or other electronics, pets, fireworks, alcohol, tobacco products, illegal substances or weapons of any kind, including pocketknives, should be brought to camp. They will be confiscated immediately.

DAILY SCHEDULE

Each day at camp is packed full activities where campers learn new skills and make new friends. For more information on our schedule and skill choices, please go to www.minikani.org.

8:00 a.m.	Drop-off	11:15 a.m.	Skill session 3
8:15 a.m.	Group time	12:30 p.m.	Lunch
8:45 a.m.	Password (Thought of the day shared by counselors)	1 p.m.	Group activities
9:15 a.m.	Skill session 1	4:00 p.m.	Cool down (snack provided)
10:15 a.m.	Skill session 2	4:15 p.m.	Pick-up

Skills

Day campers will be able to sign up for different skills to participate in throughout the week. The youngest Day Camp groups choose one skill and participate in two counselor-selected skills with their groups. The older Day Camper groups choose all three skills in which they participate. The different skill areas are:

- Adventure Challenge – Rockwall and ropes courses
- Crafts – A variety of arts and crafts
- Waterfront – Swimming and boating
- Games and Ranges – BB rifles (8 years or older), air rifle (10 years or older), team sports, disc golf and archery
- Wilderness Skills Area – Fishing, shelter-building and other wilderness skills

Day campers will be allowed to choose skills based on availability after Overnight Campers sign up, therefore we recommend Day Campers think of many skills they are interested in taking.

Afternoon Group Activities

During the afternoon, from 1-4 p.m., Day Campers participate in activities with their groups. This may include activities from any of the five skill areas listed above. These activities will be planned by the group's counselors.

Day Camp Sleepover: Optional on Wednesday

All Day Campers from 7 to 12 years old may choose to spend the night on Wednesday. You will receive a permission slip in their backpack on Monday that allows them to participate. The extended time, including a meal, is free. The dinner will be a cookout behind the Dining Hall. Breakfast and lunch on Thursday will be served in the Halquist Family Lodge where balanced meals are planned and served by the Food Service Staff. Please note: to help ensure that we are able to meet a camper's individual needs, please include information about food allergies or special dietary restrictions (including if the camper is a vegetarian) on your online health form. Peanuts are not used in any of our meals or desserts due the high number of peanut allergies. Minicampers are not allowed to participate in the Wednesday Sleepover.

HEALTHCARE INFORMATION

We have a well-equipped Health Center with a nurse onsite 24 hours per day. Counseling staff are also trained in emergency First Aid and CPR. Parents and guardians are contacted if the camper has any physical injury that is apparent or at all severe, such as scrapes or bruises. In case of sickness, we may make arrangements to send sick campers home. If campers are ill; have been exposed to a contagious disease such as chicken pox, COVID, strep throat or whooping cough in the last 24 hours; have a temperature, persistent cough, or recurring vomiting or diarrhea we ask that they not be sent to camp.

In case of injury, health care staff will take necessary steps to ensure proper emergency care, which may include treatment by staff for minor injuries, phoning the parent for instructions, calling local EMS providers or transporting to a doctor or emergency care facility. Parents must provide complete emergency contact information and health history on their online family account, located at www.minikani.campbrainregistration.com. If parents will be travelling while their campers are at camp, please list an itinerary and phone numbers where they may be reached. In the event of an injury requiring medical attention, we will make every attempt to contact the parents prior to treatment. If parents are unable to be reached, we will have the health form on file, with parents' written authorization to treat the injury. Health forms are completed through the online family portal at www.minikani.campbrainregistration.com.

Insurance

Parents or guardians are responsible for all medical costs incurred because of injury or illness while children are at camp. Please upload a copy of your most recent insurance card to your online account.

Health Forms

All campers **MUST** have a completed health form completed online. We cannot accept campers without this form. The State of Wisconsin and our ACA Accreditation require it.

CDC COVID-19 Vaccination Card

All campers are highly recommended to be fully vaccinated by the start of their camp session. If you do choose to have your child vaccinated, you can upload your child's CDC Vaccination Card to your family portal online.

Medications

If your child takes medication, please do not pack them in your camper's backpack. All medications should be packed in a zipper baggie in their original packaging and handed to either a Day Camp Director if dropping off at camp, or, a bus captain if your child takes the bus. All medications **MUST** be listed with usage directions in the Health History Form you fill out per the parent portal. www.minikani.campbrainregistration.com Unused medications will be returned with the camper at the end of their session. Please note, unless taken daily, over-the-counter medications should not be brought to camp. The health care staff keeps a supply of common non-prescription medications on hand and will administer as necessary.

Lice Policy

Camp Minikani maintains a strict lice-and nit-free policy for our campers and staff. All campers are checked for lice and nits within 4 hours of their arrival at Minikani. If lice or nits are found, staff will contact the parent or guardian and ask that they pick up their camper to be treated. Campers may return to camp 24 hours after being treated, if they are 100 percent lice and nit free. Camp Minikani recommends treatment by a lice specialist or through your family physician. We do not recommend over-the-counter lice treatment products as they are not always effective. Upon their return, the camp nurse will clear the camper before they may return to their group.

For a more detailed description of our policy or if you have any questions call the main office at 262-251-9080.

Tick Policy

In the woods of Wisconsin, ticks are plentiful at the beginning of the summer. Wisconsin is home to both wood and deer ticks—the latter being more of a health concern. Deer ticks are the primary carriers of Lyme disease, which is a bacterial infection that affects the entire body.

Should a tick be found embedded, the camper will be transported to a local hospital for removal. Please feel free to contact us with any questions or concerns regarding tick procedures. Please also consider reading about tick prevention together by visiting www.cdc.gov/ncidod/dvbid/lyme/.

COMMUNICATIONS

NEW THIS SUMMER – TEXT ALERTS

This summer Minikani will be utilizing a texting service to provide camp updates on bus times, weather events, registration openings, and other pertinent information to your camper. To stay in the know, you will need to opt-in to this service. When logged into your Campbrain account:

- Select "Manage People and Household Information"
- Select "Edit Details" for your parent/guardian account
- Make sure your cell phone number is entered correctly and select the box "I would like to receive text messages at this number" and then hit save
- Additional numbers can be added so multiple parents/guardians receive text updates

We will contact you via e-mail as well as phone prior to, during and after your child's stay. The e-mails come from minikani@ymcamke.org and phone calls come from 262-251-9080. Please make sure this address is not blocked as spam and set our phone number up as a contact in your phone. Contact our office immediately if your e-mail address or phone numbers change. You can also stay in touch with what is happening through our [Facebook](#) and [Instagram](#) page, and we will upload a selection of photos each day of camp, which can be accessed [online](#). While we do our best to make sure that we take photos of all campers during the week, we only upload a limited number to show what happened at camp that day.

We hope that this information helps you and your camper prepare for Minikani. Please feel free to call or e-mail the office if you have any further questions.

YMCA Camp Minikani
